LOYALTY SYSTEM CARD TYPES

LOYALTY POINTS' CARD

Spend more to get more. Every time a customer gets a grooming treatment or buys a product from your salon, they collect points on their cards which add up to an appealing reward, such as a free trim or a beauty product.

DISCOUNTS' CARD

Captivate your customers with amazing discounts on their favourite services at your beauty parlor, after a group of purchased products or beautification services. Discounts' cards can be offered as a premium package to certain organizations that escalates a larger number of new customers.

MEMBERSHIP CARD

Membership cards benefit your beauty center, by guaranteeing the purchases that your customers place. Membership cards gets your customers hyped to get back to your salon and try more services & treatments, making them permanent members that will assist in shaping your center's reputation and place it on the right track of success.

LOYALTY GIFT CARD

The gift card encourages your customers to enter the salon and browse more services & once they've started the purchase, it is highly-likely that they'll end up finding a product that costs slightly more than the gift card's value. An expensive facial treatment is approached when that gift card has a 25% off.

LOYALTY DEALS' CARD

Keep your customers anticipated to visit your salon, more frequently, by giving them the option to purchase deals' cards that are valid for a certain promotional service(s), such as trying your latest products or giving the latest skin treatment a try.
